Everyone deserves their own supply of high quality, durable and reusable cloth masks. Nearly six months into the pandemic, many Cambridge residents are still without cloth masks or rely on intermittent access to disposables. Help us provide reusable face masks for a growing number of residents in need, hit hardest by the pandemic.

Started by the Cambridge Volunteer Clearinghouse (CVC), Mask Cambridge is now a joint initiative of the Cambridge Mask Alliance. **Proud to be part of the City of Cambridge’s Coordinated Response to COVID-19,** Mask Cambridge depends on close collaboration between the City of Cambridge, the Cambridge Department of Public Health, Cambridge Housing Authority, local social service agencies and supporters.

**We are in the final phase of a $185,000 fundraiser.**

---

**HOW IT WORKS**

**SPONSORSHIP**

You make a commitment to help Mask Cambridge.

**MASK CAMBRIDGE**

You support Mask Cambridge.

**SOURCING**

We work with local manufacturers to purchase high quality, reusable face masks.

**DISTRIBUTION**

Our partner agencies distribute masks to individuals and families.

---

**SPONSORSHIP LEVELS**

**$20,000 CITY PROTECTOR**

Cover the whole city for one month

(1+ needed)

**$10,000 NEIGHBORHOOD SPONSOR**

Target masks to a hard-hit zip code

(2+ needed)

**$5,000 ONE WEEK CITYWIDE**

Fulfill dozens of agency requests

(4+ needed)

**$2,500 ONE CITY BLOCK**

Supply 45 families in a typical high-density block

(6+ needed)

**$1,000 HOME SWEET HOME**

Reach 15 multi-generational households

(7 needed)
“Fighting the COVID-19 pandemic must be a community effort. Our team is proud to help Mask Cambridge keep our neighbors safe and healthy.”

**LIZ SCHWAB**
Head of External Affairs for New England, Google

“Mask Cambridge is critical to the City’s Coordinated Response to COVID-19. We are very pleased to support their multi-nonprofit initiative.”

**ELLEN SEMENOFF**
Assistant City Manager of Human Services

“We wanted our residents, many of whom have experienced significant trauma in their lives, to have the security of having access to a permanent, personal supply of masks. Mask Cambridge came through for them.”

**EVA MARTIN-BLYTHE**
Executive Director, YWCA Cambridge

“Normally, our residents would be in each other’s apartments, sharing meals, their kids playing together. If we can at least put masks into their hands we make it easier for them to do the rest.”

**NANCY PORCARO**
Resident Services Coordinator, Just-A-Start

---

Since April, we have procured **27,000 masks** for more than 40 local agencies. With your help, we will provide a sustainable supply of masks for everyone experiencing need in Cambridge.
